or Batteries**

DUMPSTER BANDIT

WHAT HAPPENS TO YOUR NON-RECYCLABLE MATERIALS?

If your Recycling cart contains a high amount of non-recyclable material we must place the contaminated trash on another truck. If this happens an educational tag will be placed on the recycle container explaining the Recyclable Product Guidelines.

Learn more about what
materials can be recycled
in your curbside container.

For any additional questions or concerns regarding recycling guidelines, please call **(216) 402-2547** or visit **www.BanditTrash.com**.
