## **Celebrating 20 Years**

Now celebrating the 20th Anniversary of the Bratenahl Blooms plant club, founded in 2006 by Mary Ann Moskal to further the charitable and philanthropic mission of Bratenahl 100, Inc. Focusing on supporting the Village police and service departments, the first plant sale was held in 2007 and quickly became a meaningful community tradition. In 2020, Blooms reached an important milestone by becoming a 501(c)(7) nonprofit organization.

Today, active members meet throughout the year to plan projects and prepare for the annual Plant and Boutique Sale held each May around Mother's Day. Planning begins early, with members ordering plants from local garden centers, selecting new varieties, coordinating order forms and promoting the event throughout the community.

Proceeds fund scholarships for students in the Tri-C Plant Science and Landscape Technology program, supporting studies in landscape contracting, tree care and nursery management. Blooms also supports New Avenues for Independence by providing seasonal landscaping, holiday gifts, clothing and personal visits to residents, while maintaining the Bratenahl group home's porch planters and gardens.

Members volunteer at Recreation Center events, including the Easter Bunny Brunch, Halloween festivities, Santa Brunch and hosting the Bratenahl Community Day ice cream social. Blooms also provides plants for the Service Department planters and thirteen curbside boxes along Lakeshore Boulevard in Bratenahl.

Membership is open to all Bratenahl residents, with annual dues of just \$5. We invite you to join us in celebrating 20 years of making Bratenahl beautiful - with many more years to come!
